

# DISCOVERY FARM

\*POLICY CHANGE effective June 1, 2022\*

To all Discovery Farm clients,

The team at Discovery Farm has updated the equipment usage policy related to borrowing Discovery Farm equipment. The health and safety of our clients, exhibitors, partners, and staff is of the utmost importance to us.

Effective immediately exhibitors and clients will no longer be permitted to operate any Discovery Farm-owned equipment or machinery. We understand that this change may impact some of our clients significantly and are committed to ensuring your company's needs are met while still delivering an excellent customer experience.

If you require onsite equipment support, please contact our team in advance to discuss the services that we offer. Any Discovery Farm machinery or equipment required to support your needs will be operated by our certified staff. We ask that you provide our staff **72 hours advance notice** to ensure the equipment and staff will be available for the time and task you require.

To book services at Discovery Farm Langham, please contact [langham@discoveryfarm.ca](mailto:langham@discoveryfarm.ca).

To book services at Discovery Farm Woodstock, please contact [woodstock@discoveryfarm.ca](mailto:woodstock@discoveryfarm.ca).

Thank you for your understanding and cooperation.
